Subject: Application on Choosing 4th year Project supervisor

Dear Sir,

I'm writing this letter so as to seek your permission on choosing our 4th year project supervisor.

I'm **Maruful Islam** and ID is **18702020**. Previously **Dr. Kazi Tanvir Ahmmed** agreed to supervise my project but due to his study leave I had to change my supervisor. I've contacted with **Dr. Shah alam** and he agreed to supervise me for my 4th year project.

So, it's my humble request to you that you will consider my application and permit me to be supervised by my chosen.

Sincerely Yours,

Maruful Islam
